

Referee -Futsal

Set the standard -become a futsal referee

There are many great benefits to becoming a futsal referee whether you still play the game, currently referee outdoor, have retired, or have never played there is plenty to be gained from picking up the whistle.

Futsal is the only form of indoor football officially approved by FIFA and the FFA; played in over 100 countries it is one of the fastest growing sports in the world. Usually played at a fast pace the sport requires quick decision making and reflexes.

Throughout Canberra and the region futsal is played at senior and junior level, with competitive and social competitions. So whether you want to referee for local competitions or make it to the World Cup like Canberra's own Chris Colley, there are matches to suit your level and experience. Futsal refereeing is a great way to stay involved in the game as well as having some fun, making new friends and earning some money along the way.

Refereeing frequently asked questions:

How old do I have to be to referee?

The minimum age to start refereeing is 13 years old. (Similar to a Football Referee)

How long does it take to become a referee?

It takes approximately 8 hours to complete a referee entry course. These hours are generally spread out over one day and conducted by the Futsal State Coach, Futsal FIFA referee Chris Colley.

How do I register for a course?

Referee courses can now be registered for online. Please check the referee calendar for dates when courses are run. To find out more information on referee courses you can contact [Sigourney Dunk](#), Referee Manager.

How much will it cost to get started?

All referee entry courses are \$70. This includes their year registration and a Laws of the Game book. To referee matches you will also need to purchase a uniform and equipment. These items are available only at the Capital Football office. Prices of the gear can be found on the website.
