Welcome to Season 2018/19 at North Canberra Futsal

North Canberra Futsal Club (NCF) aims to provide a safe and supportive environment for young people from U5 to U18 to play and enjoy futsal. This registration pack will provide you with all the information you need to nominate a team and register as an individual player. The North Canberra Futsal website

<http://www.northcanberrafutsal.com.au> has more information about the game of futsal, coaching and the NCF Competition Rules.

Due to the on-going growth of futsal in North Canberra, the NCF Committee has made some changes this year including venue and time changes for some competitions, especially the girl's competitions, which will hopefully improve the experience for all involved.

We hope that no one will miss out on playing this season but we are capping competitions at 12 teams in each division from U10 -18 age groups. In the non-competitive age groups, U7-U9 there will be no team capping but teams may be limited by venue capacity. That means you need to nominate your team early to avoid missing out. NCF is not able to guarantee individual players a team. You can be placed onto a waiting list for teams looking for players but we will be unable to make up teams from individual players or find teams for you as we are expecting very high registration numbers again this season.

Please do not hesitate to contact any members of the NCF Committee if you have any questions or require help. If you need advice or help please ask, don't leave it until the end of the season. The NCF Committee are all volunteers as well so they will answer your enquiries as quickly as they can but please remember during the registration period there are a high volume of queries. And yes, we do need help so please consider joining the NCF Committee at our next **AGM on Tuesday October 16, 2018.**

A Quick Overview of Eligibility Rules

- No player may play for any team unless he/she is correctly registered with North Canberra Futsal in line with registration guidelines provided later in this document.
- **Junior players can only play in one junior team.** This rule is in place to ensure as many players as possible have the chance to participate. Players can substitute for another team as per the competition borrowing players rules, but they cannot be registered to two teams.
- For NCF competitions, it is deemed that a player's age is based on their actual age as of 31 December 2018 even though NCF competitions run into 2019. The minimum age for players to play in any junior futsal competition is five (5) years of age (2013 born) and the maximum is 18 years (2000 born).
- Male players are not permitted to play in female competitions. Female players playing in mixed or open competitions are permitted to play down one (1) age group. Female players playing in female competitions must play in their respective age group. Players are permitted to play up to two (2) chronological years above their respective age groups in their gender specific competitions. Players are not permitted to play in any age groups below their respective age group except for female players as outlined above.
- **Each team must have a minimum of 7 players with a maximum of 10 players. There must be one adult over 18 years of age listed for every team and an adult coach or manager present at all games. This adult must have WWVP registration.** NCF runs junior competitions so all teams must always be supervised by an adult over the age of 18.
- There are no restrictions on the number of representative or premier league players in any Division 1 team however, restrictions will apply to Division 2 teams. **Any division 2 team with more than one premier league or representative player (futsal or football, male or female) must not play in a Division 2 competition. Division 2 teams in breach of this condition are not eligible for finals.**
- The final decision regarding team grading remains with the NCF committee in the interests of providing a fair and equitable competition.

For more detailed information, please see the NCF Competition Rules 2018/19 available on the website www.northcanberrafutsal.com.au

Uniforms

Each team is responsible for providing its own playing uniform. This must consist of numbered matching shirts, matching shorts and socks and the goal keeper is required to have a numbered shirt that is different in colour to the team playing strip. Numbered shirts are not compulsory for non-competitive age groups (U7-U9).

No playing shirt or strip is to be black. Black writing/numbers are acceptable. This is to ensure there is a visual contrast with the Referee's uniform. There will be no exceptions to the NO BLACK playing shirt rule. Teams should have complete uniform from the first week of the competition. No State or National Futsal representative playing gear, will be permitted as part of the team uniform, including for keepers. Shin pads are compulsory and a player without them will not be allowed to play.

Nominating a Team at North Canberra Futsal

In season 2018/19, NCF is calling for team nominations prior to opening player registrations. The team nomination form is available on the NCF website and at the end of this document. Please complete the form and email to the NCF Registrar registrar@northcanberrafutsal.com.au Please do not send photos of hand written forms as they are often very difficult to read and will not be accepted.

Once your team has been accepted into the competition they will be notified so that players can register on My Football Club. Teams must have a minimum of seven players and a coach and/or manager with a WWVP registration to be accepted into the competition. The latter is now ACT law and is not negotiable.

Registering to Play with North Canberra Futsal Club

Once your team has been accepted into an NCF competition, all player registrations must be completed through the Play Football website except for Minis whose registrations will be completed through COERVER. Individual player registrations on My Football Club <https://www.playfootball.com.au/> will not open until after team nominations are completed.

The Team Manager and/or Coach must ensure that all team players have both registered and paid prior to the competition start. Any player in a team in any competition who is not correctly registered shall be deemed an unregistered player. The playing of unregistered players is not permitted under any circumstances and will result in the offending team forfeiting the game and possible expulsion from the competition.

Individual Players Looking for a Team

Individual players (other than Minis U4-U7) who are looking for a team are asked not to register on My Football Club as any individual registrations will be declined. Individual players must email the NCF Secretary secretary@northcanberrafutsal.com.au and they will be placed on a wait list so that teams looking for players can contact them. There is no guarantee that an individual player will be placed in a team so if you are keen to play then you should find a team from your school, outdoor club or friendship group.

Individual players can register for Minis (U4 – U7) through COERVER <https://www.coerver.com.au/courses/coerver-coaching-futsal-first-skills-clinic>
