Welcome to Season 2019/20

North Canberra Futsal Club (NCF) aims to provide a safe and supportive environment for children and young people from U4 to U18 to learn, play and enjoy futsal. This registration pack will provide you with all the information you need to nominate a team and register at Play Football. The North Canberra Futsal website <http://www.northcanberrafutsal.com.au> has more information about the game of futsal, coaching and the NCF Competition Rules and along with our Facebook page, will keep you up to date with events and competition information.

Frequently Asked Questions

What is North Canberra Futsal?

NCF is a community-based club run largely by volunteers providing opportunities for children to participate in the game of futsal. Futsal is a five-a-side game which at NCF we play indoors in summer. NCF playing venues are:

- The Canberra Netball Centre, Northbourne Avenue in Lyneham
- Gold Creek High School (gym) located off Clarrie Hermes Drive in Nicholls
- Radford College (gym) located off Haydon Drive in Bruce
- Daramalan College located off Morphett St Dickson
- Dickson college located off Phillip Avenue Dickson

What are the season dates?

The North Canberra Futsal season is thirteen weeks and important dates are as follows:

- Season starts (Round 1) Friday 18 October and Sunday 20 October 2019
- Friday 22 and Sunday 24 November 2019; no games as some venues unavailable
- Friday 13 and Sunday 15 December 2019; last games before summer school holidays
- Friday 31 January and Sunday 2 February 2020; games resume (Round 9)
- Friday 21 and Sunday 23 February 2020; Semi-Finals/Play Offs for competitive age groups
- Friday 28 February and Sunday 1 March 2020; Grand Finals

How much does it cost to play?

Registration fees per player for the U7-U9 age group is \$135, U10-U11 is \$155 and U12-U18 is \$170. These fees cover Capital Football and FFA fees for each player, court hire, equipment, wages for venue managers, club administrator and referee coach, participation awards and general administration costs. Your fees do not include any game day referee fees or uniform costs.

How do I join?

The best way to play futsal at NCF is to get a team together and nominate them early. Due to the popularity of futsal, NCF only takes team nominations and does not organise teams for individuals. We hope that no one will miss out on playing this season, but venue capacity means we usually cap competitions at 12 teams in each division from U10 -18 age groups. In the non-competitive age groups, U7 - U9 there will be no team capping but teams may be limited by venue capacity. That means you need to nominate your team early to avoid missing out.

The team nomination form is available on the NCF website and at the end of this document. Please complete the form and email to the NCF Registrar registrar@northcanberrafutsal.com.au Please do not send photos of hand written forms as they are often very difficult to read and will not be accepted.

Once your team has been accepted into the competition the team coach/manager will be notified so that players can register individually on Play Football. Please do not register until your team has been accepted into the NCF competition.

What if I don't have a team?

NCF is not able to guarantee individual players a team however, you can be placed onto a waiting list for teams looking for players and if room allows in any competition NCF will make up teams from individuals. Individuals looking for a team should contact the NCF Secretary at secretary@northcanberrafutsal.com.au

How many players in a team?

Each team must have a minimum of 7 players with a maximum of 10 players. There must be one adult over 18 years of age listed for every team and an adult coach or manager present at all games. This adult must have WWVP registration. NCF runs junior competitions so all teams must always be supervised by an adult over the age of 18.

Are there any rules about what players can be in my team?

Yes, there are rules about players age, gender and playing status that are summarised below. The competition rules for this season give more detail and are available on the website.

- In NCF competitions, it is deemed that a player's age is based on their actual age as of 31 Dec 2019 even though NCF competitions run into 2020. The minimum age for players to play in any junior futsal competition is five (5) years of age (2014 born) and the maximum is 18 years (2001 born).
- Male players are not permitted to play in female competitions. Female players playing in mixed or open competitions are permitted to play down one (1) age group. Players are permitted to play up to two (2) chronological years above their respective age groups in their gender specific competitions. Players are not permitted to play in any age groups below their respective age group except for female players as outlined above.
- There are no restrictions on the number of representative or premier league players in any Division 1 team however, restrictions do apply to Division 2 teams. Any division 2 team with more than one premier league or representative player (futsal or football, male or female) must not play in a Division 2 competition. Division 2 teams in breach of this condition are not eligible for finals.

For more detailed information, please see the NCF Competition Rules 2019/20 available on the website www.northcanberrafutsal.com.au

What uniform does my team need?

Each team is responsible for providing its own playing uniform. This must consist of numbered matching shirts with sleeves, matching shorts and socks and the goalkeeper is required to have a

numbered shirt that is different in colour to the team playing strip. Numbered shirts are not compulsory for non-competitive age groups (U7-U9).

No playing shirt is to be black. Black writing/numbers are acceptable. This is to ensure there is a visual contrast with the Referee's uniform. There will be no exceptions to the NO BLACK playing shirt rule. Teams should have complete uniform from the first week of the competition. No State or National Futsal representative playing gear, will be permitted as part of the team uniform, including for keepers. Shin pads are compulsory and a player without them will not be allowed to play.

How do I register if my team has been accepted into the competition?

All player registrations must be completed through Play Football except for Minis whose registrations will be completed through COERVER. Before you register, you must be in a team and your team nomination must have been accepted by NCF. **Please do not register if you are an individual player without a team.**

There is a new Australia wide registration system this season called Play Football which allows you to register multiple individuals from a single account, allowing you to register and manage your whole family from a single login. If you haven't already done so then you will need to create a Football Account <https://www.ffa.com.au/football-account> If you already have a Football Account then you can start your registration at the North Canberra Futsal page on the [Play Football website here](#) Registration can only be completed with a credit/debit card payment online. If you need to make a payment plan or need to pay offline then please contact the NCF Registrar registrar@northcanberrafutsal.com.au to organise payment.

What if I have more questions?

This season we have employed a Club Administrator to help with the volume of work a 2,000-player strong club generates so Tom will be your first point of contact. You can also contact any members of the NCF Committee if you have any questions. If you need advice or help, please ask now and don't leave it until the end of the season.

- General enquiries to Tom at info@northcanberrafutsal.com.au
- Registration enquiries to Jo at registrar@northcanberrafutsal.com.au
- Individual looking for a team enquiry to Karen at secretary@northcanberrafutsal.com.au
- Referee enquiries to John at referee@northcanberrafutsal.com.au
- Equipment enquiries to Anthony at property_officer@northcanberrafutsal.com.au

The NCF Committee are all volunteers and they will answer your enquiries as quickly as they can but please remember during the registration period there are a high volume of queries so it may take a few days to reply. And yes, we do need help so please consider joining the NCF Committee at our **AGM on Tuesday October 15, 2019.**
